- Multiple mare service fee discounts where provided are applicable only if the required number of mares have a final positive test and all service fees are paid in full within our trading terms. The full price of service fees without discounts is to be paid on all but the last fee due. The total discount is then applied to the last service fee due providing all the terms have been adhered to. The Stud reserve the right to adjust discount structures in the instance that less mares are bred by the Breeder than were agreed upon on the original contract.
 - Any discount offered will be forfeited if payment is not made within our trading terms and the full advertised service fee will be charged.
 - Advertised service fees on Bettors Wish, Cannibal, Confederate and Huntsville **do not** include the HRA Stallion Levy tax. HRA Stallion Levy taxes will be charged on top of the advertised service fee. Unfortunately, there are NO discounts available to these stallions.
 - Prices above include GST.
 - All bookings require a signed contract from the breeder to secure discounts offered. Semen will not be sent without a contract in place.
 - Please contact us to discuss your mare for this season.
 - Each State have their own unique Breeding Incentives so be sure to check them out.
